the Securities Exchange Act of 1934.

Yes No

If "Yes" is marked, indicated below the file number assigned to the
registrant in connection with Rule 12g3-2(b):

São Paulo, May 30, 2019 - GOL Linhas Aéreas Inteligentes S.A. (“GOL” or “Company”), (NYSE: GOL and B3: GOLL4), Brazil's premier domestic airline, announces the expansion of its operations in the country with the opening of its base in Dourados, a city located in the state of Mato Grosso do Sul. The Company's newest regional destination will have daily direct flights from the Guarulhos Airport in São Paulo. GOL will fly this new route with its Boeing 737-700 Next Generation aircraft, which carry up to 138 passengers, and will be the largest capacity aircraft to operate in this airport.

“We are proud to offer Customers of Dourados and surrounding region direct flights to the city of São Paulo. This new destination will strengthen our operations in the Central-West region of Brazil with another daily flight option to the Guarulhos Airport, one of the Company's main hubs, allowing easy and fast connections to the cities and countries served by the Company and its partners”, says Eduardo Bernardes, Vice President of Sales and Marketing. “With the arrival of GOL at Dourados, Customers will have more convenience and comfort onboard our modern Boeing 737 jets, with more space between seats, internet, live TV and different onboard service options with free drinks”, adds Bernardes.

The launch will increase GOL's destinations to 76, with 61 of them in Brazil. Dourados is the eighth regional destination announced by the Company this year. GOL's new flights to the cities of Cascavel, Passo Fundo, Vitória da Conquista, Sinop, Franca, Barretos, Araçatuba and Dourados are part of the Company's plans to increase flights in the state of São Paulo, an initiative important for developing and incentivizing air travel in Brazil.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
