## **Notice to Shareholders**

### **Information on the Corporate Reorganization**

**São Paulo, March 25, 2021 - GOL Linhas Aéreas Inteligentes S.A. ("GOL"), (NYSE: GOL and B3: GOLL4), the largest domestic Brazilian airline, and Smiles Fidelidade S.A. ("SMILES") (B3: SMLS3) supplementing the information disclosed in the Material Fact dated February 12, 2021 ("Material Fact"), inform the following:**

#### **1 Withdrawal Rights**

##### **Withdrawal Rights on the Merger of SMILES Shares**

Pursuant to articles 137 and 252, paragraph 2 of Law No. 6,404, dated December 15, 1976, as amended ("**Brazilian Corporate Law**"), the merger of shares issued by SMILES into GOL Linhas Aéreas S.A. ("**GLA**" and "**Merger of SMILES Shares**") shall entitle SMILES and GLA shareholders to withdrawal rights. Withdrawal rights are guaranteed to shareholders who own shares issued by SMILES uninterrupted, from February 12, 2021 (the disclosure date of the Material Fact) to the reference date for definition of SMILES shareholders who shall receive the shares issued by GOL, to be disclosed in due time, after the periods to exercise the withdrawal rights and the option for the exchange ratio elapse ("**Date of Consummation**"). Shareholders who did not vote in favor of the Merger of SMILES Shares, who abstained from voting or who did not attend the respective Special Shareholders' Meeting, and who expressly state their intention to exercise the right of withdrawal, may exercise the respective right within the term of 30 days starting on March 30, 2021 (inclusive) and ending on April 28, 2021 (inclusive) ("**Withdrawal Right Term**"). Since GOL was the sole shareholder of GLA on the date when GLA's Shareholders' Meeting passed a resolution on the Merger of SMILES Shares, there shall be no dissenting shareholders nor withdrawal rights within the scope of GLA as a result of this phase of the reorganization.

Pursuant to Article 264, paragraph 3 of the Brazilian Corporate Law, dissenting shareholders may opt between (i) the reimbursement amount set forth in Article 45 of the Brazilian Corporate Law, in accordance with SMILES financial statements as of December 31, 2019, corresponding to R\$9.71 per share, without prejudice to the right to prepare a special balance sheet; or (ii) the amount assessed pursuant to Article 264 of the Brazilian Corporate Law, corresponding to R\$19.60. It should be clarified that the exercise of withdrawal rights shall refer exclusively to all shares. Therefore, dissenting shareholders shall not be allowed to exercise their options on part of the shares they own.

##### **Withdrawal Rights on the Merger of GLA Shares**

Pursuant to Articles 137 and 252, paragraph 2, of the Brazilian Corporate Law, the merger of shares issued by GLA into GOL ("**Merger of GLA Shares**") shall entitle GLA and GOL shareholders to withdrawal rights. Withdrawal right shall be guaranteed to shareholders who own shares issued by GOL uninterrupted, from February 12, 2021 (the disclosure date of the Material Fact) to the Date of Consummation, who did not vote in favor of the merger of GLA shares, who abstained from voting or who did not attend the respective Special Shareholders' Meeting, and who expressly state their intention to exercise the right of withdrawal, within the Period of Withdrawal Right. Since, GOL was the sole shareholder of GLA on the date when GLA's Shareholders' Meeting passed a resolution on the Merger of GLA Shares, there shall be no dissenting shareholders nor withdrawal rights within the scope of GLA as a result of this phase of the reorganization.

---

Regarding the withdrawal rights of GOL shareholders, considering that GOL's shareholders' equity is assessed according to the method set forth in Article 45 of the Brazilian Corporate Law (without prejudice to the right of preparing a special balance sheet) and the method set forth in Article 264 of the Brazilian Corporate Law, the value was negative and the reimbursement amount is zero. It should be clarified that the exercise of withdrawal rights shall exclusively refer to all shares. Therefore, dissenting shareholders shall not be allowed to exercise their options on part of the shares they own.

At the end of the period for exercising the withdrawal right, the companies shall issue a notice in compliance with Article 137, paragraph 3 of the Brazilian Corporate Law, containing information on the withdrawal exercised ("**Confirmation Notice**").

### **About Smiles Fidelidade S.A.**

Smiles started as a single loyalty program but has evolved into its current coalition model, which features several unique characteristics that allow for the accrual and redemption of miles from GOL flights and its international partner airlines, as well as Brazil's leading commercial banks, including co-branded cards issued by Bradesco, Banco do Brasil and Santander, and a vast network of retail partners. The current model works through (i) the accrual of miles by members when they purchase airline tickets with GOL or other partner airlines or products and services from business and financial partners; Smiles miles being acquired through the loyalty of these customers to those businesses, and (ii) award redemptions by members when they exchange their miles for flights on GOL and other partner airlines or products and services offered by commercial and financial partners. Our primary sources of revenues come from (i) redeemed miles revenues, represented by tickets and awards in our network of airline, commercial and financial partners, (ii) interest income between the date the miles were accrued and the date they were redeemed, and (iii) breakage revenues if issued miles expire without being redeemed.
